BACKGROUND INVESTIGATIVE SOLUTIONS

How well do you know them?

Have you ever hired someone only to find out later the person you interviewed was not the same person you thought they were? Unfortunately, 36% of all applications have some level of untruth.

Per Mar Security Services' Professional Investigative Department has the ability to provide all of the details you need to know in order to make the correct hiring decision, which can save you thousands of dollars in wasted training hours, lost productivity, and poor customer service. Not to mention the potential for negative impact your current employees and your businesses' reputation.

With our Safeguard Program, we can create a custom fit for your business needs.

Most common services include:

- **Social Security Number Verification:** Will reveal whether the applicant has provided a valid Social Security Number and cross match it to aliases and addresses.
- **Criminal Record Checks (County and/or Federal):** Will reveal if the applicant has any criminal records on file.
- **Credit History Check:** Will reveal whether the applicant's financial history is stable for a position where financial transactions are involved.

Additional popular services include:

County Civil Record searches, Global Terrorist Watch List searches, Employment Verification, Education Verification, Professional License Verification, Drivers License search, Sex Offender Registry, Live Scan Fingerprinting, Inked Fingerprinting, Dug Testing and more.
