Every business wants to protect their integrity. What are you doing to protect yours? Let Per Mar Security Services help you find the right people for your business through our Safeguard Program, which includes:

- **Federal Criminal Record Search**
- **County Criminal Record Search**
- **County Civil Record Search**
- **Sex Offender Registry Search**
- **Driver's License History**
- **Social Security Trace**
- **Credit History Search**
- **Professional License Verification**

The Safeguard Program gives you a more complete history of your applicant based on reliable information. Let us help you lower your turnover, reduce theft and accidents, raise employee morale and, most importantly, **protect your integrity.**
