## **Theft....loss of profits....now what?**

Per Mar Security Services' Professional Investigative Team can assist you in reviewing any situation and help you find solutions with results.

It is proven that internal and external theft can reduce profits and eventually bankrupt your business. From employee theft to shoplifting, we have the tools that will resolve your problems.

We understand that it can be disappointing and even a bit embarrassing when these issues are occurring in your business. Initiating a third party takes the burden off of you and your team by having an impartial party complete your assessment. We have no preconceived opinions and will look at things with a fresh set of eyes. We will help you find the solution that will resolve the issue and reduce your losses.

Allow us to meet with you and assess your business needs. We offer many solutions that will provide outside insight into your operation. Our ability to monitor, assess, and review your concerns makes Per Mar Security Services the right choice.
