# WORKERS COMPENSATION

## **Abuse, Fraud, Theft....**

These are all things that can cross your mind when someone is off work and you learn they are working on the side and should be resting.

Our services will assist you in accurately documenting the facts that we have collected for you in regards to a potential fraudulent claim.

Per Mar Security Services Investigative Department is able to covertly conduct investigations anywhere in the U.S., anytime day or night. This activity is non-intrusive and even protects the suspects' legal privacy rights while working within the laws of the state.

Third party interviews can also be performed to assist you and protect your company. Third party interviewing is an important step in bring resolution. Our team acts as a fact finder and allows emotions and other predetermined assessments to be taken out of the investigation.

Let us assist you in reviewing your claim and putting our experts in the field to research your situation. This will allow you to obtain information that, in the end, will assure you the ability to seek restitution and/or resolution of the situation and the facts to assist your insurance company.

**Call us today for a consultation.**
